DEPARTMENT OF CIVIL SERVICE AND REGISTRATION

To the Honorable Senate and House of Representatives in General Court assembled:

In accordance with the provisions of section 30, chapter 31 of the General Laws, I hereby submit the fiftieth annual report of the Division of Civil Service of the Department of Civil Service and Registration, covering the period from December 1, 1932, to November 30, 1933, inclusive.

On August 9, 1933, the Governor appointed Mr. James M. Hurley of Marlborough as Commissioner of Civil Service. Mr. Hurley was confirmed and qualified on August 23, on which date Mr. Paul E. Tierney resigned to become a member of the Board of Tax Appeals.

LEGISLATIVE PROPOSALS

Under section 30 (chap. 31, G. L.) of the civil service law, it is the duty of the Commissioner of Civil Service to suggest to the General Court appropriate legislation for the administration and improvement of the civil service, and I, therefore, suggest the following:

First. — That, in order to determine seniority labor rights, the law be amended so that in an action under G. L., chap. 31, sec. 45, all employees in the same class or grade may be joined as defendants. This will establish the rights of all who may be affected by the ruling of the court, and will save countless suits and expense to the city.

Second. — That section 46B of the civil service law be amended to obviate the necessity of notifying persons by registered mail of their rights under the law. A notice by ordinary mail will accomplish the result sought, and will save considerable expense to the Commonwealth.

Third. — That section 15A of the civil service law be amended so that persons employed on an intermittent or part time basis, or at a nominal salary, may be certified for temporary work. This law has caused a hardship in some cases, as for example, a permanent call fireman receiving a nominal salary cannot be certified for temporary employment on the permanent force, nor can a permanent stationary fireman who is employed on seasonal work be certified for temporary work during the summer months.

Fourth. — That section 46C be amended to provide that a person separated from the service may be reinstated upon request of the head of the department and approval of the Commissioner of Civil Service. It seems to me that further action by the City Council or Board of Selectmen is unnecessary, causes delay, and may work an injustice to the former employee seeking reinstatement.
